### Constitution of Equal Opportunity Cell

The Equal Opportunity Cell (EOC) at Balaji Institute of Education envisions the creation of an inclusive and equitable society. At the institutional level, the Cell is committed to supporting students with disabilities and those from marginalized and underrepresented sections of society.

Special academic support is extended to slow learners and students requiring additional assistance through remedial and extra classes. The College has taken significant steps to improve physical accessibility by constructing ramps, railings and accessible washrooms.

These initiatives aim to build empathy, increase understanding, and empower students to overcome societal challenges.
