## Notification

### Reconstitution of Minority Cell

The Minority Cell of the college was established with the purpose of empowering students from minority communities. The Cell is committed to addressing the educational and cultural needs of these communities, while also fostering inclusivity across all castes, creeds, and nationalities. It actively supports the academic development of minority students and encourages their participation in career-oriented programmes and developmental activities.

### Objectives

- To ensure equal educational opportunities for students from minority communities.
- To facilitate access to financial assistance through government agencies and other sources.
- To raise awareness among minority students about various scholarship schemes offered by the Central and State Governments.
- To encourage participation in courses, workshops, and skill development programs offered by the College to enhance career readiness.

The Minority Cell is reconstituted with the following members
